Overcoming trends in irregularly spaced locations by regional polish - exemplified by estimation of the range of influence between Salmonella Dublin-seropositive cattle herds
Publication: Research - peer-review › Journal article – Annual report year: 2010

Spatial modelling of the between-herd infection dynamics of bovine virus diarrhoea virus (BVDV) in dairy herds in Denmark
Publication: Research - peer-review › Journal article – Annual report year: 2010

Simulation of the K-function in the analysis of spatial clustering for non-randomly distributed locations-Exemplified by bovine virus diarrhoea virus (BVDV) infection in Denmark
Publication: Research - peer-review › Conference article – Annual report year: 2009

Temporal trend in antimicrobial requiring gastrointestinal diseases in Danish finisher herds, 2002-07
Publication: Research - peer-review › Poster – Annual report year: 2009

Space-time clustering of non-human antimicrobial resistance in Denmark.: The case of Escherichia coli 1997-2005
Publication: Research › Poster – Annual report year: 2008

Guidelines for database protocols on disease and welfare recording
Publication: Research › Poster – Annual report year: 2006

Day-to-day variation in iron-status measures in young iron-deplete women
Publication: Research - peer-review › Journal article – Annual report year: 2005

Antibacterial drug use for treatment of mastitis in Danish dairy cows
Publication: Research - peer-review › Article in proceedings – Annual report year: 2003

Decay of acquired colostral antibodies to Actinobacillus pleuropneumoniae in pigs
Publication: Research - peer-review › Journal article – Annual report year: 2003

Epidemiological Studies Based on Small Sample Sizes – A Statistician's Point of View
Publication: Research - peer-review › Journal article – Annual report year: 2003

Quality and Analysis of Small Data Sets – A Statistical Point of View
Publication: Research - peer-review › Conference article – Annual report year: 2003

Risk factors associated with interdog aggression and shooting phobias among purebred dogs in Denmark
Publication: Research - peer-review › Journal article – Annual report year: 2003

Risk factors associated with the introduction of acute clinical infectious bursal disease among Danish broiler chickens in 1998
Publication: Research - peer-review › Journal article – Annual report year: 2002

Weed Mapping with Co-Kriging Using Soil Properties
Publication: Research - peer-review › Journal article – Annual report year: 1999
On Spatio-temporal Kriging
Publication: Research - peer-review › Article in proceedings – Annual report year: 1997

On the spatial and temporal correlations in experimentation with agricultural applications
Publication: Research › Ph.D. thesis – Annual report year: 1994

Projects:

Modelling allergenic risk
Project: PhD

Nonlinear Stochastic Modelling of Antimicrobial resistance in Bacterial Populations
Project: PhD

BioSonar (EU project MA53-CT95-0026)
Project

Udvikling og optimering af kemiske processer under anvendelse af statistiske korrelationsmetoder
Project: PhD

Activities:

Evaluation of factors affecting the analytical sensitivity of bacteriological methods for investigation of S. Dublin in bovine faecal samples
Activity: Talks and presentations › Conference presentations
