Publications:

Argumentation and Reasoning in Design: An Empirical Analysis of the Effects of Verbal Reasoning on Idea Value in Group Idea Generation
Publication: Research › peer-review › Article in proceedings – Annual report year: 2016

SMART product innovation: a process manual for implementing and completing the SMART process
Publication: Communication › Report – Annual report year: 2016

SMART Product Innovation: a process for higher value and lower price to improve margins
Publication: Communication › Report – Annual report year: 2016

An Experimental Study of Reasoning in Design: Testing the Pattern of Reasoning in Conceptual Design
Publication: Research › peer-review › Poster – Annual report year: 2015

Reasoning in Design: Idea Generation Condition Effects on Reasoning Processes and Evaluation of Ideas
Publication: Research › peer-review › Article in proceedings – Annual report year: 2015

Demonstration projects in transition processes to sustainable energy and transport
Publication: Research › peer-review › Article in proceedings – Annual report year: 2014

Inventory of demonstration and trail projects in sustainable energy and transport in Scandinavia: INNODEMO Work Package 2 Report
Publication: Research › Report – Annual report year: 2014

Between generative prototyping and work of synthesis in design: Interplay and adding value in the early concept development
Publication: Research › peer-review › Article in proceedings – Annual report year: 2013

Between participants, props and stage: Eliciting insights through interaction
Publication: Research › Article in proceedings – Annual report year: 2012
Projects:

Methods to support creative processes at the early stages of product development
Project: PhD

Activities:

Design Computing and Cognition
Activity: Attending an event › Participating in or organising workshops, courses, seminars etc.

Nordic Science and Technology Studies
Activity: Attending an event › Participating in or organising a conference
