Publications:

The mismatch between the in-country determinants of technology transfer, and the scope of technology transfer initiatives under the United Nations Framework Convention on Climate Change
Publication: Research - peer-review › Journal article – Annual report year: 2018

A Quantum Leap in Energy Efficiency to Put the Sustainable Development Goals in Closer Reach
Publication: Research - peer-review › Journal article – Annual report year: 2018

Could baseline establishment be counterproductive for emissions reduction? Insights from Vietnam's building sector
Publication: Research - peer-review › Journal article – Annual report year: 2018

Incorporating uncertainty in national-level climate change-mitigation policy: possible elements for a research agenda
Publication: Research - peer-review › Journal article – Annual report year: 2018

Institutional capacities for NDC implementation: a guidance document
Publication: Research - peer-review › Report – Annual report year: 2017

Next generation interactive tool as a backbone for universal access to electricity
Publication: Research - peer-review › Journal article – Annual report year: 2018

The accountability imperative for quantifying the uncertainty of emission forecasts: evidence from Mexico
Publication: Research - peer-review › Journal article – Annual report year: 2018

The accountability imperative for quantifying the uncertainty of emission forecasts: evidence from Mexico*
Publication: Research - peer-review › Conference abstract in proceedings – Annual report year: 2017

Bridging the gap – the role of non-state action
Publication: Research - peer-review › Report chapter – Annual report year: 2016

Decision-support tools for climate change mitigation planning
Publication: Research - peer-review › Report – Annual report year: 2016

The Adaptation Finance Gap Report
Publication: Research › Book – Annual report year: 2016
Adaptación al cambio climático en el sector hidroeléctrico nicaragüense: Elementos para una estrategia de gestión de riesgos
Publication: Research › Report – Annual report year: 2015

Adaptation to climate change in Colombia's oil and gas industry: Recommendations to promote risk management
Publication: Research › Report – Annual report year: 2015

Assessing climate change mitigation technology interventions by international institutions
Publication: Research - peer-review › Journal article – Annual report year: 2015

Governance, enabling frameworks and policies for the transfer and diffusion of low carbon and climate adaptation technologies in developing countries
Publication: Research - peer-review › Journal article – Annual report year: 2015

Les écarts de financement en matière d'adaptation aux changements climatiques - avec la perspective des CPDN
Publication: Research - peer-review › Report – Annual report year: 2015

The Adaptation Finance Gap Update - with insights from the INDCs
Publication: Research - peer-review › Report – Annual report year: 2015

The Multiple Benefits of Measures to Improve Energy Efficiency: A Summary Report
Publication: Research - peer-review › Book – Annual report year: 2015

Uncertainty in greenhouse-gas emission scenario projections: Experiences from Mexico and South Africa
Publication: Research - peer-review › Book – Annual report year: 2015

Advancing methodological thinking and practice for development-compatible climate policy planning
Publication: Research - peer-review › Journal article – Annual report year: 2014

The Adaptation Gap Report - a Preliminary Assessment
Publication: Research - peer-review › Report – Annual report year: 2014

Publication: Research - peer-review › Report – Annual report year: 2014

Assessing the effectiveness of policies to support renewable energy
Publication: Commissioned - peer-review › Report – Annual report year: 2013

National Greenhouse Gas Emissions Baseline Scenarios: Learning from Experiences in Developing Countries
Publication: Research - peer-review › Report – Annual report year: 2013

Publication: Research - peer-review › Report – Annual report year: 2013

Climate Change Starter's Guidebook: An Issues Guide for Education Planners and Practitioners
Publication: Research › Book – Annual report year: 2011

Publication: Research - peer-review › Report – Annual report year: 2011
Publication: Research - peer-review › Book chapter – Annual report year: 1999

Transport, Environment and Health in Central and Eastern Europe: State of Affairs and Policy Options: Author of the chapters "Assessment frameworks" and "Air pollution"
Publication: Research › Book chapter – Annual report year: 1999

Projects:

Strengthening international cooperation on climate change research
Project

Project

The Adaptation Finance Gap Report
Project

Managing the risks associated with climate change in the hydropower industry in Nicaragua
Project

Managing the risks associated with climate change in the oil and gas industry in Colombia
Project

The multiple benefits of measures to improve energy efficiency
Project

UNEP Adaptation Gap Report
Project

UNEP Emissions Gap Report 2014
Project

UNEP Emissions Gap Report 2013
Project

Quantifying the uncertainty of GDP and oil price projections in Mexico using structured expert judgement
Project

Prioritising adaptation to climate change in the agriculture sector in Mexico through multi-criteria analysis
Project

Facilitating Implementation and Readiness for Mitigation
Project

Activities:

European Cooperation in Science and Technology 'action' to strengthen a European network of researchers in structured expert judgement (External organisation)
Activity: Membership › Membership of research networks or expert groups
