Publications:

Bernoulli Polynomials, Fourier Series and Zeta Numbers
Publication: Research - peer-review » Journal article – Annual report year: 2013

Euler Polynomials, Fourier Series and Zeta Numbers
Publication: Research - peer-review » Journal article – Annual report year: 2013

From Fourier Series to Rapidly Convergent Series for Zeta(3).
Publication: Research - peer-review » Journal article – Annual report year: 2011

Summations- og integralformler for zeta(3) og beslægtede konstanter.
Publication: Research - peer-review » Journal article – Annual report year: 2003

Projects:

3D-pris
Project
