Publications:

Degradation of zearalenone and ochratoxin A in three Danish agricultural soils
Publication: Research - peer-review › Journal article – Annual report year: 2006

Degradation and mobility of linear alkylbenzene sulfonate and nonylphenol in sludge-amended soil
Publication: Research - peer-review › Journal article – Annual report year: 2004

Influence of soil moisture on linear alkylbenzene sulfonate-induced toxicity in ammonia-oxidizing bacteria
Publication: Research - peer-review › Journal article – Annual report year: 2004

Degradation of nonylphenol in spiked soils and in soils treated with organic waste products
Publication: Research - peer-review › Journal article – Annual report year: 2003

Determination of zearalenone and ochratoxin A in soil
Publication: Research - peer-review › Journal article – Annual report year: 2003

Effects of linear alkylbenzene sulfonates on functional diversity of microbial communities in soil
Publication: Research - peer-review › Journal article – Annual report year: 2003

Recycling of sewage sludge and household compost to arable land: Fate and effects of organic contaminants, and impact on soil fertility
Publication: Research - peer-review › Journal article – Annual report year: 2003

Availability of alkylbenzenes (BTEX) and polycyclic aromatic hydrocarbons (PAH) in polluted soil
Publication: Research › Conference abstract for conference – Annual report year: 2002

Monitoring the content and intake of trace elements from food in Denmark
Publication: Research - peer-review › Journal article – Annual report year: 2002

Natural toxins in soil and agricultural plants
Publication: Research › Conference abstract for conference – Annual report year: 2002

Availability of alkylbenzenes (BTEX) and polycyclic aromatic hydrocarbons (PAH) in polluted soil
Publication: Research › Conference abstract for conference – Annual report year: 2001

Degradation and plant uptake of organic contaminants in spiked soils and in soils treated with organic waste products
Publication: Research › Conference abstract for conference – Annual report year: 2001

Degradation of 4-nonylphenol in homogeneous and nonhomogeneous mixtures of soil and sewage sludge
Publication: Research - peer-review › Journal article – Annual report year: 2001

Influence of plant growth on degradation of linear alkylbenzene sulfonate in sludge-amended soil
Publication: Research - peer-review › Journal article – Annual report year: 2001

Leaching of LAS and nonylphenol from sludge amended soil
Publication: Research › Article in proceedings – Annual report year: 2001
Leaching of LAS and nonylphenol from sludge-amended soil. A lysimeter study
Publication: Research › Conference abstract for conference – Annual report year: 2001

Natural toxins in agricultural crops
Publication: Research › Conference abstract for conference – Annual report year: 2001

Nedbrydning af miljøfremmede stoffer i jord-plantesystemer og optag i planter
Publication: Communication › Journal article – Annual report year: 2001

PAH-forbindelser - tilgængelighed i jord og optag i planter
Publication: Research › Conference abstract in proceedings – Annual report year: 2001

Plant uptake of LAS and DEHP from sludge amended soil
Publication: Research - peer-review › Book chapter – Annual report year: 2001

Uptake and metabolization of sewage sludge associated organic contaminants in crop plants
Publication: Research › Conference abstract for conference – Annual report year: 2001

LAS in soil samples - Results from an interlaboratory study
Publication: Research › Article in proceedings – Annual report year: 2000

Miljøfremmede stoffers omsætning i jord og optag i planter
Publication: Research › Journal article – Annual report year: 2000

Miljøfremmede stoffers omsætning og optag i planter
Publication: Research › Conference abstract for conference – Annual report year: 2000

Optag af PAH'er i planter samt hvilke analysemetoder der kan benyttes hertil
Publication: Research › Article in proceedings – Annual report year: 2000

Removal of organic contaminants by crops grown in agricultural soil after sewage sludge application
Publication: Research › Conference abstract for conference – Annual report year: 2000

Tilgængelighed af olie- og benzinforureninger i forurenet og renset jord
Publication: Research › Conference abstract for conference – Annual report year: 2000

Uptake of sewage sludge associated organic contaminants in crop plants
Publication: Research › Conference abstract for conference – Annual report year: 2000

Uptake of sewage sludge associated organic contaminants in crop plants
Publication: Research › Conference abstract for conference – Annual report year: 2000

Degradation of organic contaminants in sludge-amended agricultural soil
Publication: Research › Article in proceedings – Annual report year: 1999

Nedbrydning af LAS i jord og optag i planter. Resultater fra væksthusforsøg
Publication: Research › Conference abstract for conference – Annual report year: 1999

Planteoptag af organiske forbindelser
Publication: Research › Conference abstract for conference – Annual report year: 1999
Plant uptake and soil degradation of organic contaminants in sludge amended soil
Publication: Research › Journal article – Annual report year: 1999

Research on organic contaminants in soil-plant systems
Publication: Research › Conference abstract for conference – Annual report year: 1999

Uptake and degradation of LAS in sludge amended and spiked soil - the importance of vegetation
Publication: Research › Conference abstract for conference – Annual report year: 1999
