Research outputs:

- Linking narratives and energy system modelling in transport scenarios: A participatory perspective from Denmark
  Research output: Research - peer-review › Journal article – Annual report year: 2019

- TIMES-DK: Technology-rich multi-sectoral optimisation model of the Danish energy system
  Research output: Research - peer-review › Journal article – Annual report year: 2019

- Improvements in the representation of behavior in integrated energy and transport models
  Research output: Research - peer-review › Journal article – Annual report year: 2019

- A Long-Term Strategy to Decarbonise the Danish Inland Passenger Transport Sector
  Research output: Research - peer-review › Book chapter – Annual report year: 2018

- The multi-port berth allocation problem with speed optimization and emission considerations
  Research output: Research - peer-review › Journal article – Annual report year: 2017

- Modelling alternative fuel production technologies for the future Danish energy and transport system
  Research output: Research - peer-review › Poster – Annual report year: 2016

- Nordic Energy Technology Perspectives 2016
  Research output: Research › Report – Annual report year: 2016

- Modelling Behaviour in Integrated Energy and Transport Models - A review
  Research output: Research › Sound/Visual production (digital) – Annual report year: 2015

Projects:

- Modelling, Transport Fuels and Future Scenarios for the Danish Energy System
  Project: PhD

Activities:

- wholeSEM Annual Conference
  Activity: Attending an event › Participating in or organising a conference

- International Energy Workshop 2016
  Activity: Attending an event › Participating in or organising workshops, courses, seminars etc.
69th Semi-Annual ETSAP Meeting
Activity: Talks and presentations › Conference presentations

IEA Workshop on Transport, Energy Efficiency & Behaviour
Activity: Attending an event › Participating in or organising workshops, courses, seminars etc.

68th Semi-Annual ETSAP Meeting
Activity: Talks and presentations › Conference presentations
