Helene Godiksen

Publications:

**Contribution of cathepsins B, L and D to muscle protein profiles correlated with texture in rainbow trout (Oncorhynchus mykiss)**
Publication: Research - peer-review › Journal article – Annual report year: 2009

**Stress induced alteration in the proteome of farmed trout: investigation of the mechanism behind changes in sensory properties**
Publication: Research › Poster – Annual report year: 2008

**New method to discriminate between cathepsin B and cathepsin L in crude extracts from fish muscle based on a simple acidification procedure**
Publication: Research - peer-review › Journal article – Annual report year: 2007

**Kvalitetsforskelle i opdrætsørred - kan de forudsiges?**
Publication: Research › Poster – Annual report year: 2006

**Stress induced changes in sensory properties and proteome of farmed trout**
Publication: Research › Poster – Annual report year: 2006

**Cathepsin activity in herring (Clupea harengus L.) caught at different locations and different seasons**
Publication: Research › Article in proceedings – Annual report year: 2003

**Sarcoplasmic reticulum Ca^{2+} -ATPase and cytochrome oxidase as indicators of frozen storage in cod (Gadus morhua)**
Publication: Research - peer-review › Journal article – Annual report year: 2003

**Temperature and Ca^{2+}-dependence of the sarcoplasmic reticulum Ca^{2+}(+-)ATPase in haddock, salmon, rainbow trout and zebra cichlid**
Publication: Research - peer-review › Journal article – Annual report year: 2002

**Cytochrome oxidase as an indicator of ice storage and frozen storage**
Publication: Research - peer-review › Journal article – Annual report year: 2001

**Membrane bound enzymes ad indicators of frozen storage of fish. Sarcoplasmic reticulum Ca^{2+-} -ATPase and cytochrome oxidase activity in cod muscle during frozen storage**
Publication: Research › Ph.D. thesis – Annual report year: 2001

**Sarcoplasmic reticulum CA^{2+} ATPase activity in cod (Gadus morhua) muscle measured in crude homogenates**
Publication: Research - peer-review › Journal article – Annual report year: 2001

**Sarcoplasmic Reticulum Ca^{2+}-ATPase Activity in Cod (Gadus morhua) Muscle Measured in Crude Homogenates**
Publication: Research - peer-review › Journal article – Annual report year: 2001

**The effect of ice storage and freeze/thaw cycles on CA^{2+} -ATPase and Cytochrome oxidase activity in salmon (Salmo salar)**
Publication: Research › Conference article – Annual report year: 2001

**Sarcoplasmic reticulum CA^{2+} -ATPASE activity changes during frozen storage depend on pre-freezing time**
Publication: Research › Conference article – Annual report year: 2000
Projects:

Prediction of technological and sensory quality of trout
Project

Membranbundne enzymer som fryselagringsindikatorer
Project: PhD

Quality indicators for frozen fish
Project
