Publications:

The uptake and diffusion of solar power in Africa: Socio-cultural and political insights on a rapidly emerging socio-technical transition
Publication: Research - peer-review › Journal article – Annual report year: 2018

The mismatch between the in-country determinants of technology transfer, and the scope of technology transfer initiatives under the United Nations Framework Convention on Climate Change
Publication: Research - peer-review › Journal article – Annual report year: 2018

Africa–Europe Collaborations for Climate Change Research and Innovation: What Difference Have They Made?
Publication: Research - peer-review › Book chapter – Annual report year: 2018

Africa-Europe Research and Innovation Cooperation: Global Challenges, Bi-regional Responses
Publication: Research - peer-review › Book – Annual report year: 2018

Delivering market-based access to clean cooking fuel for displaced populations the Kigoma region, Tanzania: a business plan
Publication: Research › Report – Annual report year: 2018

Getting on the ground: Exploring the determinants of utility-scale solar PV in Rwanda
Publication: Research › Journal article – Annual report year: 2018

Energy for Sustainable Development in Africa: Successes, Challenges and the way forward
Publication: Research › Sound/Visual production (digital) – Annual report year: 2017

Reflections on experience with the global network on energy for sustainable development as a South–South global knowledge network
Publication: Research - peer-review › Journal article – Annual report year: 2016

The true cost of using traditional fuels in a humanitarian setting. Case study of the Nyarugusu refugee camp, Kigoma region, Tanzania
Publication: Research - peer-review › Report – Annual report year: 2017

Designing an Africa-EU research and innovation collaboration platform on climate change
Publication: Research › Report – Annual report year: 2016
Socio-Economic costs of cooking fuel in Refugee Camps in Tanzania
Publication: Research - peer-review › Conference abstract for conference – Annual report year: 2016

The transition to low-carbon energy technologies in Africa: research to understand and inform energy policies and investment decisions
Publication: Research › Sound/Visual production (digital) – Annual report year: 2016

Adaptación al cambio climático en el sector hidroeléctrico nicaragüense: Elementos para una estrategia de gestión de riesgos
Publication: Research › Report – Annual report year: 2015

Adaptation to climate change in Colombia’s oil and gas industry: Recommendations to promote risk management
Publication: Research › Report – Annual report year: 2015

A step-by-step guide for countries conducting a Technology Needs Assessment
Publication: Research › Report – Annual report year: 2016

Barriers to the Transfer of Low-carbon Electricity Generation Technologies in Four Latin American Countries
Publication: Research - peer-review › Journal article – Annual report year: 2015

Developing and Testing a Best Practice Framework for Energy Access Interventions
Publication: Research - peer-review › Journal article – Annual report year: 2015

Energy systems integration for a decarbonising world
Publication: Research - peer-review › Book chapter – Annual report year: 2015

Publication: Research › Report – Annual report year: 2015

Governance, enabling frameworks and policies for the transfer and diffusion of low carbon and climate adaptation technologies in developing countries
Publication: Research - peer-review › Journal article – Annual report year: 2015

Non-financial constraints to scaling-up small and medium-sized energy enterprises: Findings from field research in Ghana, Senegal, Tanzania and Zambia
Publication: Research - peer-review › Journal article – Annual report year: 2015

Publication: Research - peer-review › Report – Annual report year: 2014

Publication: Research - peer-review › Literature review – Annual report year: 2014

Financing energy SMEs in Ghana and Senegal: Outcomes, barriers and prospects
Publication: Research - peer-review › Journal article – Annual report year: 2013

Guidebook for the Development of a Nationally Appropriate Mitigation Action for Solar Water Heaters
Publication: Research - peer-review › Book – Annual report year: 2014
South-South Development Cooperation and Soft Power. The case of Brazil's foreign policy and technical cooperation
Publication: Research › Ph.D. thesis – Annual report year: 2015

Africa-EU research collaboration on climate change, food security and water linkages: An overview of emerging issues and potential research priorities. D2.1(Suppl)
Publication: Research › Report – Annual report year: 2013

Energy SMEs in sub-Saharan Africa: Outcomes, barriers and prospects in Ghana, Senegal, Tanzania and Zambia
Publication: Research - peer-review › Book – Annual report year: 2013

Housing, Security, and Employment in Post-Neoliberal Buenos Aires
Publication: Research - peer-review › Journal article – Annual report year: 2013

Denmark: a geography of energy
Publication: Research - peer-review › Encyclopedia chapter – Annual report year: 2012

Diffusion of renewable energy technologies: Case studies of enabling frameworks in developing countries
Publication: Research - peer-review › Book – Annual report year: 2011

Energy Sector Transparency and the Resource Curse
Publication: Research › Internet publication – Annual report year: 2011

Evaluación de Necesidades de Tecnología (ENT) : Marco del proyecto
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

Evaluación de Necesidades de Tecnología (ENT) : Marco del proyecto
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

Evaluación de necesidades de tecnología para el cambio climático: Las plantillas de los informes TNA y TAP
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

FIT for use everywhere? Assessing experiences with renewable energy feed-in tariffs
Publication: Research › Book chapter – Annual report year: 2011

Metodología del proyecto ENT visión general y alcance
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

Metodología del proyecto ENT visión general y alcance
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

Metodología TNASelección de sectores y tecnologías
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

Peru's Amazonian oil and gas industry: Risks, interests and the politics of grievance surrounding the development of block 76, Madre de Dios
Publication: Research - peer-review › Journal article – Annual report year: 2011

Sustainable development and economic liberalisation in less developed countries
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011
Technology Needs Assessments: Introduction to TNA project and Overall Approach
Publication: Research › Sound/Visual production (digital) – Annual report year: 2011

The Cool 100 Book
Publication: Research - peer-review › Book – Annual report year: 2011

Transparency, consultation and conflict: Assessing the micro-level risks surrounding the drive to develop Peru's Amazonian oil and gas resources
Publication: Research - peer-review › Journal article – Annual report year: 2011

Content, process and power: Towards an analytical framework for public policy and institutional change in less developed countries
Publication: Education › Working paper – Annual report year: 2010

EU energy security, sustainability and globalisation: What role for Qatari LNG amid calls for greater energy diversification?
Publication: Research - peer-review › Journal article – Annual report year: 2010

Peru's Amazonian oil and gas: summary of issues and options
Publication: Research › Sound/Visual production (digital) – Annual report year: 2010

Post-neoliberal electricity market 're-reforms' in Argentina: Diverging from market prescriptions?
Publication: Research - peer-review › Journal article – Annual report year: 2010

Renewable energy: Resources, development and the low-carbon imperative
Publication: Research › Sound/Visual production (digital) – Annual report year: 2010

A Silver Bullet?: Special report on alternative energy
Publication: Communication › Journal article – Annual report year: 2009

Offshore Energy: The UK Offshore Opportunity
Publication: Communication › Journal article – Annual report year: 2009

Peru's Amazonian oil and gas industry: risks, interests and the ‘politics of grievance’ surrounding the development of block 76 (Manu region, Madre de Dios)
Publication: Research › Sound/Visual production (digital) – Annual report year: 2009

The strategic ties that bind: Article on Qatar - EU economic relations
Publication: Research › Journal article – Annual report year: 2009

Assessing the uptake of small-scale photovoltaic electricity production in Argentina: the PERMER project
Publication: Research - peer-review › Journal article – Annual report year: 2007

Electricity Market Reforms in Argentina: From Success to Failure?
Publication: Research › Sound/Visual production (digital) – Annual report year: 2007

Optimising reform: the sustainability of electricity market liberalisation in less developed countries
Publication: Research - peer-review › Journal article – Annual report year: 2007
Publication: Research - peer-review › Review – Annual report year: 2007

Small-Scale Mining, Rural Subsistence and Poverty in West Africa, edited by Gavin Hilsen
Publication: Research - peer-review › Review – Annual report year: 2007

Sustainable Development and the neoliberal economic agenda for Less Developed Countries
Publication: Research › Sound/Visual production (digital) – Annual report year: 2007

The Myths of Argentine History: The Construction of the Past as a Justification of the Present, by Felipe Pigna
Publication: Research › Review – Annual report year: 2007

Undermined Land: Feature article on small-scale gold mining in Ghana
Publication: Research › Journal article – Annual report year: 2006

Electricity market reform in Argentina: assessing the impact for the poor in Buenos Aires
Publication: Research - peer-review › Journal article – Annual report year: 2005

Renegotiating Electricity Contracts after an Economic Crisis and Currency Devaluation: The Case of Argentina
Publication: Research - peer-review › Journal article – Annual report year: 2005

Review of Empirical Studies on Electricity Market Reform and the Poor in Argentina
Publication: Research › Working paper – Annual report year: 2005

Winners and losers from industry reforms in the developing world: experiences from the electricity and mining sectors
Publication: Research - peer-review › Journal article – Annual report year: 2005

Impact of utilities liberalisation upon the poor in Latin America
Publication: Research › Conference abstract for conference – Annual report year: 2004

The environmental and socioeconomic performance of multinational mining companies in the developing world economy
Publication: Research - peer-review › Journal article – Annual report year: 2004

The globalisation of utilities liberalisation: Impacts upon the poor in Latin America
Publication: Education › Working paper – Annual report year: 2004

The impacts of liberalisation and privatisation in the energy and mining sectors: Case studies from sub-Saharan Africa and Latin America
Publication: Research › Sound/Visual production (digital) – Annual report year: 2004

Winners and losers from the reform process in Argentina, and future research
Publication: Research › Sound/Visual production (digital) – Annual report year: 2004

German, Japanese, US approaches to overcoming socio-technical lock-in: what can the UK learn?
Publication: Education › Working paper – Annual report year: 2003

Projects:

Greening the grid: A comparative policy analysis of South Africa and India
Project: PhD
Managing the risks associated with climate change in the hydropower industry in Nicaragua
Project

Managing the risks associated with climate change in the oil and gas industry in Colombia
Project

The effectiveness of South-South Cooperation: Climate Change Technology Transfer from Brazil to Latin American Countries
Project: PhD

Activities:

Energy Research & Social Science (Journal)
Activity: Research › Journal editor
