Publications:

**Effect of spatial differences in growth on distribution of seasonally co-occurring herring Clupea harengus stocks**
Publication: Research - peer-review › Journal article – Annual report year: 2015

**High-resolution acoustic indices of Atlantic herring (Clupea harengus) paving the way for inclusion of migration patterns in management considerations of herring in ICES Divisions IIIa and SD 22-24**
Publication: Research › Conference abstract for conference – Annual report year: 2012

**Spatial interactions between marine predators and their prey: herring abundance as a driver for the distributions of mackerel and harbour porpoise**
Publication: Research - peer-review › Journal article – Annual report year: 2012

**Habitat mapping as part of an ecosystem-based approach to management of coastal waters**
Publication: Research › Poster – Annual report year: 2009

**Prediction of selectivity from morphological conditions: Methodology and a case study on cod (Gadus morhua)**
Publication: Research - peer-review › Journal article – Annual report year: 2009

**cVessel-noise measurements of the fisheries research vessel Dana: a simplified cost-effective method**
Publication: Research - peer-review › Journal article – Annual report year: 2008

**Observed reactions of fish in captivity to replayed vessel-noise sounds from the fisheries research vessel Dana**
Publication: Research - peer-review › Journal article – Annual report year: 2008

**Simulering af selektivitet i fiskeredskaber**
Publication: Research › Report – Annual report year: 2008

**Adaptive fisheries management in Vietnam: The use of indicators and the introduction of a multi-disciplinary Marine Fisheries Specialist Team to support implementation**
Publication: Research - peer-review › Journal article – Annual report year: 2007

**FISHSELECT - Development of methodology**
Publication: Research › Poster – Annual report year: 2007

**FISHSELECT - Study of cod (Gadus morhua)**
Publication: Research › Poster – Annual report year: 2007
FISHSELECT - Study of plaice (Pleuronectes platessa)
Publication: Research › Poster – Annual report year: 2007

Modelling the effect of interaction between fish morphology and mesh shapes on discard levels in mixed fisheries
Publication: Research › Poster – Annual report year: 2006

Selectivity experiments to estimate the effect of escape windows in the Skagerak roundfish fishery
Publication: Research - peer-review › Journal article – Annual report year: 2005

Herring surveys in the North Sea and west of Scotland, HERSUR II: Final report 1 January-31 December 2001
Publication: Research › Report – Annual report year: 2002

Distribution, density and abundance of the western Baltic herring (Clupea harengus) in the Sound (ICES Subdivision 23) in relation to hydrographical features
Publication: Research - peer-review › Journal article – Annual report year: 2001

Herring occurrence in the Sound (ICES SD23) in relation to hydrographical features
Publication: Research - peer-review › Article in proceedings – Annual report year: 2001

Selectivity of square mesh top and side panels in the North Sea whitefish fisheries
Publication: Research › Report – Annual report year: 2001

An Atlantic herring (Clupea harengus) size selection model for experimental gill nets used in the Sound (ICES Subdivision 23)
Publication: Research - peer-review › Journal article – Annual report year: 2000

Publication: Research › Report – Annual report year: 2000

Publication: Research › Report – Annual report year: 1999

A herring size selection model for experimental gillnets used in the Sound (ICES Sub-division 23)
Publication: Research › Conference article – Annual report year: 1998

Distribution, abundance and stock composition of herring (Clupea harengus) in the Sound (ICES subdivision 23) during the autumn, winter and spring periods from September 1993 to May 1998
Publication: Research › Conference article – Annual report year: 1998

On visual scrutiny of echograms for acoustic stock estimation
Publication: Research › Conference article – Annual report year: 1998

Do herring use the Sound as migration route?
Publication: Research › Conference abstract for conference – Annual report year: 1996

Influence of salinity, oxygen and temperature on spawning aggregation and spatial distribution of Baltic cod (Gadus morhua L.)
Publication: Research › Conference article – Annual report year: 1996

Fishery charts Konkan coast
Publication: Research › Report – Annual report year: 1995
Resutater fra rødspætteomplantninger fra Nordsøen til Kattegat i 1988 and 1989
Publication: Research › Report – Annual report year: 1993

Migration of plaice, Pleuronectes platessa L. transplanted from the North Sea to the Kattegat
Publication: Research › Conference article – Annual report year: 1991

Experimental estimation of food preference in cod - results of a pilot experiment
Publication: Research › Conference article – Annual report year: 1990

Projects:

European basin-scale analysis, synthesis and integration (EURO-BASIN) (38899)
Project

Fehmarn Belt science provision project: Fehmarn Belt fish and fisheries and related environmental investigations (38669)
Project

Activities:

ICES - Working Group for International Pelagic Surveys / post cruise meeting - WGIPS-IESSNS (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Working Group for International Pelagic Surveys - WGIPS (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Working Group on Fisheries Acoustics and Technology - WGFAST (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Workshop on evaluating current national acoustic abundance estimation methods for HERAS surveys - WKEVAL (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Workshop on Scrutinisation Procedures for Pelagic Ecosystem Surveys - WKSCRUT (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Working Group on Pelagic Surveys - WGIPS (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Working Group of International Pelagic Surveys - WGIPS (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar

ICES - Workshop on Implementing a New TS Relationship for Blue Whiting Abundance Estimates - WKTBLUES (External organisation)
Activity: Membership › Membership of committees, commissions, boards, councils, associations, organisations, or similar
