Publications:

Vitamin D intake-status relationship among Danes aged 4-60 years during winter
Publication: Research - peer-review › Conference abstract in journal – Annual report year: 2016

Common variants in CYP2R1 and GC genes are both determinants of serum 25-hydroxyvitamin D concentrations after UVB irradiation and after consumption of vitamin D3-fortified bread and milk during winter in Denmark
Publication: Research - peer-review › Journal article – Annual report year: 2014

Common Variants in CYP2R1 and GC Genes Predict Vitamin D Concentrations in Healthy Danish Children and Adults
Publication: Research - peer-review › Journal article – Annual report year: 2014

Real-life use of vitamin D$_3$ fortified bread and milk during a winter season: the effects of CYP2R1 and GC genes on 25-hydroxyvitamin D concentrations in Danish families, the VitmaD study.
Publication: Research - peer-review › Journal article – Annual report year: 2014

Vitamin D status and effects of food fortification in families
Publication: Research › Ph.D. thesis – Annual report year: 2014

Vitamin D status and its determinants in children and adults among families in late summer in Denmark.
Publication: Research - peer-review › Journal article – Annual report year: 2014

Randomized controlled trial of the effects of vitamin D–fortified milk and bread on serum 25-hydroxyvitamin D concentrations in families in Denmark during winter: the VitmaD study
Publication: Research - peer-review › Journal article – Annual report year: 2013

Vitamin D status among families in Denmark: Baseline data from the Vitmad study
Publication: Research - peer-review › Conference abstract in journal – Annual report year: 2013

OrgTrace – No difference found in bioactive compounds of organic and conventional crops
Publication: Research - peer-review › Poster – Annual report year: 2011

Projects:

Effekten af D-vitamin berigelse i danske familier
Project: PhD

Vitamin D fortification
Project

Activities:

10th Nordic Nutrition Conference
Activity: Attending an event › Participating in or organising a conference

2nd International Vitamin Conference
Activity: Attending an event › Participating in or organising a conference
