Publications:

A study of traceability and quality assurance in fish supply chains
Publication: Research › Ph.D. thesis – Annual report year: 2013

Improving traceability in seafood production
Publication: Research - peer-review › Book chapter – Annual report year: 2008

Opportunities for the herring industry to optimize operations through information recording, effective traceability systems, and use of advanced data analysis
Publication: Research - peer-review › Journal article – Annual report year: 2008

Simulated recalls of fish products in five Nordic countries
Publication: Research › Conference abstract in proceedings – Annual report year: 2008

Integrating Food Safety and Traceability (IFSAT)
Publication: Research › Report – Annual report year: 2007

Simulated recalls of fish products in five Nordic countries
Publication: Research › Conference abstract in proceedings – Annual report year: 2007

Simulated recalls of fish products in five Nordic countries
Publication: Research › Conference abstract in proceedings – Annual report year: 2007

Simulerede tilbagekaldelser af fiskeprodukter i fem nordiske lande
Publication: Research › Poster – Annual report year: 2007

Værdioptimering af fiskebranchen gennem: Matematisk modellering, informationsudnyttelse, kædesamarbejde, markeds- og omsætningskendskab
Publication: Research › Poster – Annual report year: 2007

Model for forbedring af sporbarhed i den maritime sektor
Publication: Research › Report – Annual report year: 2006

Workshop: "Sporbarhed i den maritime sektor"
Publication: Research › Article in proceedings – Annual report year: 2006

European traceability legislation in the context of seafoods
Publication: Research › Journal article – Annual report year: 2005

Sporbarhed i fødekæden - nødvendigheden af informations- og kommunikationsteknologi
Publication: Research › Journal article – Annual report year: 2004

Technical possibilities for introducing traceability in the seafood industry
Publication: Research - peer-review › Book chapter – Annual report year: 2004

Traceability from catch to consumer in Denmark
Publication: Research - peer-review › Book chapter – Annual report year: 2003
Fresh fish with traceable quality
Publication: Research › Ph.D. thesis – Annual report year: 2002

Info-Fisk. Development and validation of an internet based traceability system in a danish domestic fresh fish chain
Publication: Research › peer-review › Journal article – Annual report year: 2002

Quality chain management in fish processing
Publication: Research › peer-review › Book chapter – Annual report year: 2002

Fresh fish distribution chains: An analysis of three Danish and three Australian chains
Publication: Research › Journal article – Annual report year: 2001

Sporbar kvalitet af ferske fisk
Publication: Research › Journal article – Annual report year: 2001

Fersk fisk - kvalitet i detailhandelen
Publication: Research › Report – Annual report year: 1998

Integrated Quality Assurance of Chilled Food Fish at Sea
Publication: Research › peer-review › Article in proceedings – Annual report year: 1997

Logistic network modelling in the fish industry
Publication: Research › Article in proceedings – Annual report year: 1997

Søpakning med sporbar deklaration
Publication: Research › Report – Annual report year: 1997

Forbedring og standardisering af CSW-tankføring
Publication: Research › Report – Annual report year: 1996

Improvement and Standardisation of Carrying Fish in CSW Tanks
Publication: Research › peer-review › Report – Annual report year: 1996

Integrated quality assurance of chilled food fish at sea (phase II)
Publication: Research › Report – Annual report year: 1996

Projects:

Integretr sporbar kvalitet af fisk
Project: PhD

Fersk fisk med sporbar kvalitet
Project: PhD

Fresh Fish with Traceable Quality
Project

Ice quality and pumpable ice.
Project
Traceability of packed and weighed fresh fish onboard vessels
Project
