Metagenomic Data Stratified using Artificial Intelligence - DTU Orbit (10/02/2019)

Metagenomic Data Stratified using Artificial Intelligence
Nissen, J. N., PhD Student, Department of Bio and Health Informatics
Rasmussen, S., Main Supervisor, Department of Bio and Health Informatics
Nielsen, M., Supervisor, Department of Bio and Health Informatics
Pedersen, A. G., Main Supervisor, Department of Bio and Health Informatics
Rasmussen, S., Supervisor, Department of Bio and Health Informatics

Project ID: 18012
Institut stipendie (DTU)
01/11/2016 → 21/03/2020
Award relations: Metagenomic Data Stratified using Artificial Intelligence
Project: PhD
