Fabrication of Nanostructured Polymer Surfaces and Characterization of their Wetting Properties - DTU Orbit (17/12/2018)

Fabrication of Nanostructured Polymer Surfaces and Characterization of their Wetting Properties: Enabling mass fabrication of superhydrophobic surfaces. / Andersen, Nis Korsgaard; Taborski, Rafael J. (Main supervisor); Okkels, Fridolin (Supervisor).
DTU Nanotech, 2016. 118 p.
