Mid-infrared supercontinuum generation to 4.5 μm in uniform and tapered ZBLAN step-index fibers by direct pumping at 1064 or 1550 nm - DTU Orbit (24/12/2018)

Mid-infrared supercontinuum generation to 4.5 μm in uniform and tapered ZBLAN step-index fibers by direct pumping at 1064 or 1550 nm. Kubat, Irnis; Agger, Christian; Moselund, Peter M.; Bang, Ole.
