Oxygen permeation of dense dual phase tubular membranes supported on porouse magnesium oxide - DTU Orbit (11/12/2018)
Oxygen permeation of dense dual phase tubular membranes supported on porouse magnesium oxide

General information
State: Published
Organisations: Department of Energy Conversion and Storage, Mixed Conductors, Ceramic Engineering & Science
Contributors: Ovtar, S., Gurauskis, J., Bjørnetun Haugen, A., Hendriksen, P. V., Kaiser, A.
Number of pages: 1
Publication date: 2015
Peer-reviewed: Yes
Event: Abstract from Summer school on Ionic and protonic conducting ceramic membranes for green energy applications, Valencia, Spain.
Electronic versions:
