Agenda for IEA SHC Solar Academy Onsite Training Course

Technical training on Solar District Heating System
(31st October – 1st November 2018 in Lianyungang China)

Wednesday, October 31
1. Welcome (8:30-9:00 — He Tao, Jiao Qingtai)
2. System Analysis and Key Component selection on Solar District Heating System
   (9:00 – 12:00 — Jianhua Fan)
3. System Design and performance guarantee on Solar District Heating System
   (14:00 – 17:00 — Jan Erik Nielson)

Thursday, November 1
4. Load computation and HVAC System Design on local buildings in China
   (9:00 – 12:00 — Zheng Ruicheng)
5. Big Solar- Adding seasonal storage to solar district heating
   (14:00 – 15:00 — Christian Holter)
6. Solar Air conditioning, integration heating and cooling on large scale
   (15:00 – 16:00 — Christian Holter)
7. Closing (16:00 – 16:30)
