Organohalogen Compounds - Research outputs - DTU Orbit (31/08/2019)

**How can we avoid the lock-in problem in the substitution of hazardous chemicals used in consumer products?**
Research output: Contribution to journal › Conference article – Annual report year: 2015 › Research › peer-review

**Analytical criteria for use of MS/MS for determination of dioxins and dioxin-like PCBs in feed and food**
Research output: Contribution to journal › Conference article – Annual report year: 2013 › Research › peer-review

**Food sources of non dioxin-like PCBs (NDL-PCBs)**
Research output: Contribution to journal › Conference article – Annual report year: 2010 › Research › peer-review

**Children's exposure to Σ DDT from different food categories**
Research output: Contribution to journal › Conference article – Annual report year: 2008 › Research › peer-review

**Intake of PCB from fatty foods**
Research output: Contribution to journal › Journal article – Annual report year: 2006 › Research › peer-review

**Polycyclic Aromatic Hydrocarbons in Danish smoked Fish and Meat Products**
Research output: Contribution to journal › Conference article – Annual report year: 2006 › Research

**Levels of PCB in Cod Liver from Danish Waters 1988-2004**
Research output: Contribution to journal › Conference article – Annual report year: 2005 › Research › peer-review

**Stability of PAHs standards**
Research output: Contribution to journal › Conference article – Annual report year: 2005 › Research

**Organochlorine pesticides in danish milk**
Fromberg, A., Højgård, A. & Østergaard, L., 2003, In : Organohalogen Compounds. 64, p. 79-82
Research output: Contribution to journal › Conference article – Annual report year: 2003 › Research › peer-review

**Determination of PCB congeners and organochlorine pesticides in fish oil food supplement**
Research output: Contribution to journal › Conference article – Annual report year: 2001 › Research › peer-review

**Determination of toxaphene congeners in fish samples from Danish waters**
Research output: Contribution to journal › Conference article – Annual report year: 1998 › Research › peer-review

**Bioaccumulation of persisten halogenated organic compounds in herring (Clupea harengus)**
Cederberg, T. L., Fromberg, A. & Mosegaard, H., 2000, In : Organohalogen Compounds. 49, p. 17-20
Research output: Contribution to journal › Conference article – Annual report year: 2000 › Research › peer-review
