Research outputs:

**Effects of A/B-ratio in strontium doped lanthanum cobaltite**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2008 › Research.

**Relations between structure and electrical properties in perovskites**
Research output: Contribution to conference › Conference abstract for conference – Annual report year: 2005 › Research.

**Correlation between thermal vibration and conductivity in La$_{0.9}$Sr$_{0.1}$B$_{0.9}$Mg$_{0.1}$O$_{3-δ}$, B=Al, Ga and Sc**
Research output: Contribution to journal › Journal article – Annual report year: 2004 › Research › peer-review.
