Research outputs:

**The Use of TES for the Recovery of Heat for Industrial Processes and Cleaning Water**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2003 › Research

**Simplification of Process Integration Studies in Intermediate Size Industries**
Research output: Contribution to journal › Conference article – Annual report year: 2002 › Research › peer-review

**Simplification of process integration in medium size industry**

**Hot water storage in medium-size industrial systems**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2000 › Research › peer-review

**Process integration in the Danish food industry: a case study**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2000 › Research › peer-review

**Coordinated Incorporation of Thermal Energy Storage and Utilities in Networks for Batch Processes**
Research output: Contribution to journal › Journal article – Annual report year: 1999 › Research › peer-review

**Forslag til energibesparelser i industrisektoren**
Research output: Book/Report › Report – Annual report year: 1999 › Research › peer-review

**Simplification of Process Integration Studies in Intermediate Size Industries**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 1999 › Research

**Simplification of Process Integration Studies in Intermediate Size Industries**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 1999 › Research › peer-review

**Coordinated Incorporation of Thermal Energy Storage and Utilities in Networks for Batch Processes**
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 1998 › Research › peer-review

Projects:

**Procesintegration, Analyse og Syntese**
Project: PhD

**Process Integration**
Project: Research
