Iben Vernegren Christensen - Research outputs - DTU Orbit (21/07/2019)

**Electrochemical desalination of salt infected limestone masonry of a historic warehouse.** / Ottosen, Lisbeth M.; Christensen, Iben Vernegren; Rörig-Dalgaard, Inge.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2012 › Research › peer-review

**Electrokinetic desalination of sandstones for NaCl removal : Test of different clay poultices at the electrodes.** / Ottosen, Lisbeth M.; Christensen, Iben V.
Research output: Contribution to journal › Journal article – Annual report year: 2012 › Research › peer-review

**Electrochemical desalination of historic Portuguese Tiles, Azulejos, in laboratory scale.** / Ottosen, Lisbeth M.; Ferreira, C.; Christensen, Iben Vernegren.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

**Electrochemical in-situ impregnation of wood using a copper nail as source for copper.** / Ottosen, Lisbeth M.; Block, Thomas; Nymark, Morten; Christensen, Iben Vernegren.
Research output: Contribution to journal › Journal article – Annual report year: 2010 › Research › peer-review

**Evaluation of Salt Removal from Azulejo Tiles and Mortars using Electrodesalination.** / Ferreira, Célia Maria Dias; Ottosen, Lisbeth M.; Christensen, Iben Vernegren; Brammer, Sabina H.; Sveegaard, Daniela A. F.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

**Excursions and participation from companies in a weekly 5 ECTS course.** / Ottosen, Lisbeth M.; Christensen, Iben Vernegren.
Proceedings of the 7th International CDIO Conference. Technical University of Denmark (DTU), 2011.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

**Annual Report 2009.** / Stang, Henrik; Hedsted, Ole; Gottlieb, Sara Wisbech Jacobsen; Christensen, Iben Vernegren; Hertz, Kristian Dahl; Fritt-Rasmussen, Jannic; Rode, Carsten; Koss, Holger; Clausen, Geo; Christensen, Hans Peter; Villumsen, Arne; Nielsen, Jens Henrik; Krogsgaard, Anette Susanne; Geiker, Mette Rica; Møller, Per; Küter, André; Furbo, Simon; Gotterman, Per; Welin, Charlotte (Editor).
2010.
Research output: Book/Report › Report – Annual report year: 2009 › Communication

**Development of Electrode Units for Electrokinetic Desalination of Masonry and Pilot Scale Test at Three locations for Removal of Chlorides.** / Ottosen, Lisbeth M.; Christensen, Iben Vernegren; Skibsted, Gry; Paz-Garcia, Juan Manuel.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2010 › Research › peer-review

**Electrokinetic desalination of glazed ceramic tiles.** / Ottosen, Lisbeth M.; Ferreira, Célia; Christensen, Iben Vernegren.
Research output: Contribution to journal › Conference article – Annual report year: 2010 › Research › peer-review

**Opgradering af farligt røggasaffald.** / Jensen, Pernille Erland; Kinkelund, Gunvor Marie; Ottosen, Lisbeth M.; Christensen, Iben Vernegren; Pedersen, Anne Juul.
Research output: Contribution to journal › Journal article – Annual report year: 2010 › Communication
