Inge Røpke - Research outputs - DTU Orbit (02/07/2019)

Smart homes in transition - Investigating the role of households in the development of smart grids in Denmark

Constructing users in the smart grid - insights from the Danish eFlex project
Research output: Contribution to journal › Journal article – Annual report year: 2013 › Research › peer-review

Ecological macroeconomics: Implications for the roles of consumer-citizens
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2014 › Research › peer-review

Energy impacts of ICT – Insights from an everyday life perspective
Research output: Contribution to journal › Journal article – Annual report year: 2012 › Research › peer-review

The unsustainable directionality of innovation – The example of the broadband transition
Røpke, I., 2012, Socio-technical transitions, social practices, and the new economics: Meeting the challenges of a constrained world.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

Encountering energy strategies and plans with the social context of household practice
Research output: Contribution to conference › Poster – Annual report year: 2011 › Research

Energy impacts of the smart home - conflicting visions
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

Forbrug er benzin til vækstmotoren
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2011 › Communication

Forbrugerne kan ikke finde ud af vækstfælden på egen hånd
Røpke, I., 2011, Information. 30. august
Research output: Contribution to journal › Contribution to newspaper - Newspaper article – Annual report year: 2011 › Communication

Measuring the environmental impact of consumption
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2011 › Research › peer-review
Can practice theory inspire studies of ICTs in everyday life?
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2010 › Research › peer-review

Consumption at the core of the growth engine
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2010 › Research › peer-review

Ecological economics: consumption drivers and impacts
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2010 › Research › peer-review

Households' ICT use in an energy perspective
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2010 › Research › peer-review

Information and communication technologies - A new round of household electrification
Research output: Contribution to journal › Journal article – Annual report year: 2010 › Research › peer-review

Konsum: Der Kern des Wachstumsmotors
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2010 › Research › peer-review

Managing (un)sustainable transitions – bringing the broadband society on the right track?
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2010 › Research › peer-review

Power and contestation in collaborative ecosystem-based management: The case of Haida Gwaii
Research output: Contribution to journal › Journal article – Annual report year: 2010 › Research › peer-review

Society's nature: Ecological economics and the combined challenge of environment and distribution
Research output: Contribution to journal › Journal article – Annual report year: 2011 › Research

Vi har brug for en ny økologisk makroøkonomi
Research output: Contribution to journal › Journal article – Annual report year: 2010 › Communication

BATHROOM TRANSFORMATION: FROM HYGIENE TO WELL-BEING?
Research output: Contribution to journal › Journal article – Annual report year: 2009 › Research › peer-review

Forbrug, teknologi og miljø
Gender, ecology and justice - a mixed experience
Røpke, I., 2009, In : Kvinder, Køn og Forskning. 18, 3-4, p. 114-116
Research output: Contribution to journal › Review – Annual report year: 2009 › Research › peer-review

Households' use of information and communication technologies – a future challenge for energy savings?
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2009 › Research › peer-review

Informations- og kommunikationsteknologi i husholdningerne - en energipolitisk udfordring
Research output: Book/Report › Report – Annual report year: 2009 › Research

Integration of ICT in everyday life - exploration of transition processes in an environmental perspective: Preliminary reflections
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2009 › Research › peer-review

Theories of practice - new inspiration for ecological economic studies on consumption
Røpke, I., 2009, In : Ecological Economics. 68, 10, p. 2490-2497
Research output: Contribution to journal › Journal article – Annual report year: 2009 › Research › peer-review

Domestication of information and communication technologies in an energy perspective
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2008 › Research

Domestication of information and communication technologies in an energy perspective
Research output: Contribution to conference › Paper – Annual report year: 2008 › Research

Environment and sustainability
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2008 › Research › peer-review

Forbrug, teknologi og miljø
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2008 › Education › peer-review

Households' ICT use in an energy perspective
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2007 › Research › peer-review
Recent Developments in Ecological Economics
Research output: Book/Report – Book – Annual report year: 2008 > Research

The construction of normal expectations: Consumption drivers for the Danish bathroom boom
Research output: Contribution to journal – Journal article – Annual report year: 2008 > Research > peer-review

Theories of practice - new inspiration for ecological economic studies on consumption
Research output: Chapter in Book/Report/Conference proceeding – Article in proceedings – Annual report year: 2008 > Research

Work, leisure, and the environment. The vicious circle of overwork and over consumption. By Tim Robinson.
Research output: Contribution to journal – Review – Annual report year: 2008 > Research > peer-review

Development of indicator system for material flows, resource consumption and –efficiency, and waste flows
ANDERSEN, K. K., CHRISTENSEN, T. H., JØRGENSEN, M. S., PEDERSEN, O. G. & RAPKE, I., 2007, Danish Environmental Protection Agency. 256 p. (Environmental Project; No. 1160).

Greening the Danes? Experience with consumption and environment policies
Research output: Contribution to journal – Journal article – Annual report year: 2007 > Research > peer-review

Leisure activities, time and environment
Research output: Contribution to journal – Journal article – Annual report year: 2007 > Research > peer-review

På vej mod et bæredygtigt forbrug? Dansk politik inden for forbrug og miljø
Research output: Chapter in Book/Report/Conference proceeding – Book chapter – Annual report year: 2007 > Research > peer-review

Consumption and environment - ecological economic perspectives
Experience with chemicals regulation - Lessons from the Danish LAS case
Lauridsen, P. V. & Røpke, I., 2006, In : Journal for Transdisciplinary Environmental Studies. 4, 3
Research output: Contribution to journal › Journal article – Annual report year: 2006 › Research › peer-review

Leisure activities in an environmental perspective
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2006 › Research › peer-review

Migration and sustainability - compatible or contradictory?
Røpke, I., 2006, In : Ecological Economics. 59, 2. p. 191-194
Research output: Contribution to journal › Journal article – Annual report year: 2006 › Research › peer-review

Migration, globalization and the environment - introduction to the special issue
Muradian, R., Neumayer, E. & Røpke, I., 2006, In : Ecological Economics. 59, 2. p. 185-186
Research output: Contribution to journal › Journal article – Annual report year: 2006 › Research › peer-review

Research output: Contribution to journal › Journal article – Annual report year: 2005 › Research › peer-review

Comfort cleanliness and convenience: the social organization of normality
Research output: Contribution to journal › Review – Annual report year: 2005 › Research › peer-review

Consumption in ecological economics
Røpke, I., 2005, The Internet Encyclopaedia of Ecological Economics. E. N. (ed.).
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2005 › Research › peer-review

Trends in the development of ecological economics from the late 1980s to the early 2000s
Røpke, I., 2005, In : Ecological Economics. 55. p. 262-290
Research output: Contribution to journal › Journal article – Annual report year: 2005 › Research › peer-review

Analysing long-term changes of everyday life in an environmental perspective
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2004 › Research › peer-review

Estimating pesticide emissions for life cycle assessment of agricultural products
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2004 › Research › peer-review

The early history of modern ecological economics
Research output: Book/Report › Book – Annual report year: 2004 › Research › peer-review
The place of consumption in ecological economics
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2004 › Research

Work-related consumption drivers and consumption at work
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2004 › Research › peer-review

Consumption dynamics and technological change - exemplified by the mobile phone and related technologies
Røpke, I., Jun 2003, In: Ecological Economics. 45, 2, p. 171-188
Research output: Contribution to journal › Conference article – Annual report year: 2003 › Research › peer-review

Is our economic model compatible with sustainable development?
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2003 › Research

The pre-history of modern ecological economics
Røpke, I., 2003, Department of Manufacturing Engineering and Management, DTU. 16 p.
Research output: Book/Report › Book – Annual report year: 2003 › Research › peer-review

Debatoplæg: MFA - muligheder og problemer
Research output: Book/Report › Book – Annual report year: 2002 › Research › peer-review

Ecological economics - a special perspective? Preliminary reflections.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2002 › Research › peer-review

Økologisk modernisering af kemikaliereguleringen? Belyst ud fra casen LAS.
Research output: Book/Report › Book – Annual report year: 2002 › Research › peer-review

Ways ahead. Paths to Sustainable Development - Behaviour, Organisations, Structures
Research output: Book/Report › Report – Annual report year: 2002 › Research

Book review: Michael Redclift (Ed.): Sustainability: Life Chances and Livelihoods.
Research output: Contribution to journal › Journal article – Annual report year: 2001 › Research › peer-review

Consumption dynamics and technological change - exemplified by the mobile phone and related technologies.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2001 › Research › peer-review

Du glade verden... En debatbog om en ny økonomi og en ny politisk dagsorden
Research output: Book/Report › Book – Annual report year: 2001 › Research › peer-review
Ecological Unequal Exchange
Research output: Contribution to journal › Journal article – Annual report year: 2001 › Research › peer-review

Røpke, I., 2001, In : Ecological Economics. 37, 2, p. 331-332
Research output: Contribution to journal › Journal article – Annual report year: 2001 › Research › peer-review

Is consumption becoming less material? The case of services.
Research output: Contribution to journal › Journal article – Annual report year: 2001 › Research › peer-review

New technology in everyday life - social processes and environmental impact.
Røpke, I., 2001, In : Ecological Economics. 38, p. 403-422
Research output: Contribution to journal › Journal article – Annual report year: 2001 › Research › peer-review

The environmental impact of changing consumption patterns: a survey.
Research output: Contribution to journal › Journal article – Annual report year: 2001 › Research › peer-review

Domestic technologies, everyday life and the environment.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2000 › Research › peer-review

Forbrug.
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2000 › Research › peer-review

Livsstilsforandringer, forbrug og miljø - hvilken indsigt er nødvendig ?
Research output: Contribution to journal › Journal article – Annual report year: 2000 › Research › peer-review

Livsstilsforandringer, forbrug og miljø - hvilken indsigt er nødvendig ?
Research output: Contribution to journal › Journal article – Annual report year: 2000 › Research › peer-review

Miljøvenligt forbrug?
Røpke, I., 2000, In : Ernærings- og husholdningsøkonomen. 6-7, p. 168-173
Research output: Contribution to journal › Journal article – Annual report year: 2000 › Communication

Om at regne i natur
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2000 › Research › peer-review

Theoretical reflections on technological change, everyday life and the environment.
Røpke, I., 2000, The Third International Conference of The European Society for Ecological Economics.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2000 › Research
Bæredygtig økonomi II
Røpke, I., 1999, In : Nationaløkonomisk tidsskrift. 137, 1, p. 126-128
Research output: Contribution to journal › Journal article – Annual report year: 1999 › Research

Bæredygtig økonomi II. Kommentar.
Røpke, I., 1999, In : Nationaløkonomisk tidsskrift. 137, p. 126-128
Research output: Contribution to journal › Journal article – Annual report year: 1999 › Research › peer-review

Mindre brug af bilen - økonomi, struktur og kultur
Røpke, I., 1999, At skynde sig langsomt - om bilisme. Otte debatindlæg. Århus: Klim, p. 57-63
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 1999 › Research › peer-review

Prices are not worth much
Røpke, I., 1999, In : Ecological Economics. 29, 1, p. 45-46
Research output: Contribution to journal › Journal article – Annual report year: 1999 › Research › peer-review

Some Themes in the Discussion of the Quality of Life
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 1999 › Research › peer-review

Special section: Consumption and the environment - Perspectives from ecological economics - Introduction
Research output: Contribution to journal › Journal article – Annual report year: 1999 › Research › peer-review

The dynamics of willingness to consume
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 1999 › Research › peer-review

The environmental impact of changing consumption patterns.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 1999 › Research › peer-review

The role of technological change in the growth of consumption.
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 1999 › Research

Hvor meget fylder vi?
Research output: Contribution to journal › Journal article – Annual report year: 1998 › Research

Sustainability and Structural Change
Symbolic Meanings of High and Low Impact Daily Consumption Practices in Different Cultures

Teoretiske perspektiver på hverdagsliv og transport

Economic Growth and the Environment - or the Extinction of the GDP-dinosaur

Handel och hållbar utveckling. En kritik av ’frihandelsdogmen’
Røpke, I., 1997, In : Häften för Kritiske Studier. 30, 1, p. 3-19

'Mængdeproblemet' i miljøpolitik og -økonomi

Is our Economic Model Compatible with Sustainable Development?
Røpke, I., 1996
Research output: Book/Report › Report – Annual report year: 1996 › Research

Råderumsbegrebet’s økonomiske historie og dets aktuelle anvendelse
Røpke, I., 1996, Det miljømæssige råderum - et udgangspunkt for miljøpolitiske strategier?. Roskilde: Institut for Miljø, Teknologi og samfund, RUC

Technology Optimism in a Socio-Economic Perspective

Book review: A.M. Bengtsson, A. Hjort-af-Ornäs, J. Lundqvist, J. Rudengren (Eds.): The Environment and Free Trade
Røpke, I., 1995, In : Ecological Economics. 13, 2, p. 143-144

Trade, development and sustainability: A critical assessment of the "free trade dogma"
Røpke, I., 1994, In : Ecological Economics. 9, 1, p. 13-22
