Lars Nyholm Thrane - Research outputs - DTU Orbit (06/11/2019)

Thrane, Lars Nyholm. / **Form Filling with Self-Compacting Concrete.** 2007.

Thrane, Lars Nyholm. / **Mini Seminar on Form Filling Ability of Self-Compacting Concrete.** In: Nordic Concrete Research. 2005 ; Vol. 33, No. 1.

Thrane, Lars Nyholm. / **Simulation and Verification of Form Filling with Self-Compacting Concrete.** Nordic Concrete Research: Proceedings Nordic Concrete Research Meeting. editor / Terje Kanstad ; Einar Aassved Hansen. 1. ed. Oslo, Norway : Norsk Betongforening, 2005. pp. 89-91

Thrane, Lars Nyholm ; Geiker, Mette Rica ; Szabo, Peter ; Stang, Henrik ; Glavind, Mette. / **Axi-symetric sumulations of the slump flow test for self-compacting concrete.** 5th International PhD Symposium in Civil Engineering. Vol. 2 Taylor and Francis Gorup, London, 2004. pp. 1503-1511

Thrane, Lars Nyholm ; Geiker, Mette Rica ; Stang, Henrik ; Glavind, M. / **Axi-Symmetric Simulation of the Slump Flow Test for Self-Compacting Concrete.** Poster session presented at 5th International PhD Symposium in Civil Engineering, Delft, Netherlands.

Thrane, Lars Nyholm. / **Form Filling with SCC in a Vertical Form : Results from Experiments.** Proceedings of the Nordic Mini Seminar on Form Filling Ability of SCC. 2004.

Thrane, Lars Nyholm ; Szabo, Peter ; Geiker, Mette Rica ; Glavind, M. ; Stang, Henrik. / Simulation of the Test Method "L-Box" for Self-Compacting Concrete. Annual Transactions of the Nordic Rheology Society. Vol. 2 2004. pp. 1503-1511
