Research outputs:

5 challenges when servitizing your business
Research output: Other contribution › Net publication - Internet publication – Annual report year: 2019 › Communication

Analysis of Uncertainty in the Development of Integrated Solutions
Research output: Book/Report › Report – Annual report year: 2019 › Research

Applicability of Agile and Scrum to Product-Service Systems
Research output: Contribution to conference › Paper – Annual report year: 2019 › Research › peer-review

Customer-pulled and provider-pushed pathways for product-service system: The contingent effect of the business ecosystems
Research output: Contribution to journal › Journal article – Annual report year: 2019 › Research › peer-review

Does a more complex service offering increase uncertainty in operations?
Research output: Contribution to journal › Journal article – Annual report year: 2019 › Research › peer-review

Dynamism in complex engineering: explaining uncertainty growth through uncertainty masking
Research output: Contribution to journal › Journal article – Annual report year: 2019 › Research › peer-review

Organisational transition from products to engineering services: An employee perspective
Research output: Contribution to conference › Paper – Annual report year: 2019 › Research › peer-review

The organizational dimension of servitizing your business
Research output: Other contribution › Net publication - Internet publication – Annual report year: 2019 › Communication

Can you put too much on your plate? Uncertainty exposure in servitized triads
Research output: Contribution to journal › Journal article – Annual report year: 2018 › Research › peer-review

Exploring Uncertainty Perception as a Driver of Design Activity
Research output: Contribution to journal › Journal article – Annual report year: 2018 › Research › peer-review

Interactions between perceived uncertainty types in service dyads
Research output: Contribution to journal › Journal article – Annual report year: 2018 › Research › peer-review
Latency and Criticality of Uncertainties in the Development of Product-Service Systems
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2018 › Research › peer-review

Performance assessment of BlueINNOship maritime innovation network
Research output: Book/Report › Report – Annual report year: 2019 › Research

Typology of Uncertainties in the Development Process of Product-Service Systems
Research output: Contribution to conference › Paper – Annual report year: 2018 › Research › peer-review

Uncertainty perception in bidding for Product-Service Systems under competition
Research output: Contribution to journal › Journal article – Annual report year: 2018 › Research › peer-review

Understanding The Diversity Of University Research Knowledge Structures And Their Development Over Time
Research output: Contribution to conference › Paper – Annual report year: 2018 › Research › peer-review

Relational uncertainty in service dyads
Research output: Contribution to journal › Journal article – Annual report year: 2017 › Research › peer-review

The effect of uncertainty perception on activity selection in product development teams
Research output: Contribution to conference › Paper – Annual report year: 2017 › Research › peer-review

Uncertainty Driven Action (UDA) model: A foundation for unifying perspectives on design activity
Research output: Contribution to journal › Journal article – Annual report year: 2017 › Research › peer-review

A model of designing as the intersection between uncertainty perception, information processing, and coevolution
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2016 › Research › peer-review

Employee motivation in Product-Service-System providers
Research output: Contribution to journal › Journal article – Annual report year: 2016 › Research › peer-review

Operation and maintenance service provision in uncertain times – the case of the FL Smidth Group during the Arab Spring
Research output: Book/Report › Book – Annual report year: 2016 › Education

Operation and maintenance service provision in uncertain times – the case of the FLSmidth Group during the Arab Spring
Research output: Other contribution › Other contribution – Annual report year: 2016 › Education

Organisation Design for Servitized Manufacturers
Research output: Book/Report › Book – Annual report year: 2016 › Education

Uncertainty and Behaviour. Perceptions, Decisions and Actions in Business
Research output: Book/Report › Book – Annual report year: 2016 › Research › peer-review

Behavioural investigations into uncertainty perception in service exchanges: Lessons from dual-processing theory
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2015 › Research › peer-review

Motivation and reward systems in service provision: exploring motivators for people providing engineering services
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2015 › Research › peer-review
Public acceptance of wind farm development: Developer practices and review of scientific literature: Wind2050 WP3 Deliverable 1
Research output: Book/Report › Report – Annual report year: 2015 › Research

Servitization and service recovery: Can you be too close for comfort?
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2015 › Research › peer-review

Servitizing manufacturers: The impact of service complexity and contractual and relational capabilities
Research output: Contribution to journal › Journal article – Annual report year: 2015 › Research › peer-review

Uncertainty in project phases: A framework for organisational change management
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2015 › Research › peer-review

Comparing LCC with LCA to assess PSS sustainability: the case of the eco-box
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2014 › Research › peer-review

Information processing theory in the early design stages
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2014 › Research › peer-review

Key variables of organisation design in servitization
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2014 › Research › peer-review

Servitizing manufacturers: The impact of service complexity and contractual and relational capabilities
Research output: Contribution to conference › Paper – Annual report year: 2014 › Research › peer-review

Uncertainty in competitive bidding – a framework for product–service systems
Research output: Contribution to journal › Journal article – Annual report year: 2014 › Research › peer-review

Information availability at the competitive bidding stage for service contracts
Research output: Contribution to journal › Journal article – Annual report year: 2013 › Research › peer-review

Products or services? – Insights from a successful provider of Product-Service Systems
Research output: Contribution to journal › Journal article – Annual report year: 2014 › Communication

The Cost of Service
Research output: Chapter in Book/Report/Conference proceeding › Book chapter – Annual report year: 2014 › Research › peer-review

Uncertainty awareness in support service contracts
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2013 › Research › peer-review

Approaches to displaying information to assist decisions under uncertainty
Research output: Contribution to journal › Journal article – Annual report year: 2012 › Research › peer-review

Modelling Uncertainty in Competitive Bidding
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2012 › Research › peer-review
Uncertainty in Competitive Bidding – Using the cost forecast for pricing decisions
Research output: Contribution to journal › Journal article – Annual report year: 2012 › Communication

Manifestation of Uncertainty - A Classification
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

Uncertainty Analysis and its Application to Service Contracts
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2011 › Research › peer-review

Information Display for Decisions under Uncertainty
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2010 › Research › peer-review

Uncertainty in Through Life Costing Within the Concept of Product Service Systems: A Game Theoretic Approach
Research output: Chapter in Book/Report/Conference proceeding › Article in proceedings – Annual report year: 2009 › Research › peer-review

Projects:

Uncertainty gaming
Project: Research

BlueINNOship
Project: Research

Controversies on wind power Wind2050
Project: Research

Organisational Transition to Systems Thinking in Nordic Manufacturing
Project: PhD

Systems approach to the development of integrated solutions in the Nordic manufacturing industry
Project: PhD

A Model of Big Data Utilisation in the Danish Healthcare System
Project: PhD

Deciding under uncertainty: improving risk management practice in engineering projects
Project: PhD

Activities:

International Journal of Operations and Production Management (Journal)
Activity: Editorial work and peer review › Journal editor › Research
International Journal of Operations and Production Management (Journal)
Activity: Editorial work and peer review › Journal editor › Research

International Journal of Operations and Production Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

26th Conference of the European Operations Management Association (Event)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

Journal of Operations Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

John P Walsh
Activity: Hosting a guest lecturer

Journal of Operations Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

Jan Dul
Activity: Hosting a guest lecturer

25th Annual EurOMA Conference (Event)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

International Journal of Operations and Production Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

The 24th International Annual EurOMA Conference (Event)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

23rd EurOMA conference (Event)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

22nd EurOMA Conference (Event)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

International Journal of Operations and Production Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

IEEE Transactions on Engineering Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

International Journal of Operations & Production Management (Journal)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

21st EurOMA Conference: Operations Management in an Innovation Economy (Event)
Activity: Editorial work and peer review › Peer review of manuscripts › Research

Key variables of organisation design in servitization
Activity: Talks and presentations › Conference presentations
Prizes:

2018 Outstanding Reviewer for International Journal of Operations & Production Management
Prize: Prizes, scholarships, distinctions
