Pressurized thermogravimetric reactivity study of wheat straw combustion and CO2-gasification

General information
Publication status: Published
Organisations: Risø National Laboratory for Sustainable Energy
Contributors: Rathmann, O., Illerup, J.
Pages: 704-708
Publication date: 1995

Host publication information
Title of host publication: 210th ACS national meeting
Place of publication: Washington, DC
Publisher: American Chemical Society. Division of Fuel Chemistry
(American Chemical Society preprints of papers, vol. 40, no. 3).
Source: orbit
Source-ID: 293706
Research output: Chapter in Book/Report/Conference proceeding » Article in proceedings – Annual report year: 1995 » Research
