Superconducting wind turbines - DTU Orbit (10/11/2019)

Superconducting wind turbines

General information
Publication status: Published
Organisations: Risø National Laboratory for Sustainable Energy, Materials Research Division, Nano-Microstructures in Materials, Department of Electrical Engineering, Electric Components, Intelligent Energy Systems Programme, Composites and Materials Mechanics, Department of Physics, Quantum Physics and Information Technology, Department of Mathematics, Dynamical systems, Electric Energy Systems
Publication date: 2010
Peer-reviewed: No
Event: Abstract from Dutch Power Innovation Day, Twente (NL), 11 Mar,
Keywords: Materials and energy storage, Superconducting materials
Source: orbit
Source ID: 272682
Research output: Contribution to conference › Conference abstract for conference – Annual report year: 2010 › Research
